Passionate about how the technological environment we live in works.

My goals are to contribute to its progress and safety.

Cooperative, rigorous and methodical, I am keen to join a passionate team.

Experiences

- **UPSILON Junior-Enterprise, Quality Manager** Jul 2023 - Present
Ensuring the quality of the projects delivered by the junior consultants. Created and implemented procedures, processes, and KPIs to monitor the performance and satisfaction of the clients. Followed up on the missions and provided feedback and guidance to the junior consultants.
- **Orange Business, Internship** Jul 2023 - Aug 2023
Completing a two-week intensive learning phase covering cloud computing, cybersecurity, SDWAN, operating systems, networks, and telecommunications. Followed by hands-on experience shadowing CSMs and collaborating with TMs, merging technical and business knowledge.
- **77.eg, Founder** Jul 2022 - Jul 2023
Founding an Egyptian startup pioneering fashionable hooded towels. Led logo design, material sourcing, and oversaw production for quality. Drove digital marketing efforts, resulting in successful sales. Demonstrated dedication in every step, fusing innovation, craftsmanship, and entrepreneurship.

Education

- **UPSSITECH engineering school** Sep 2023 - Jun 2026
Computer Systems Networking, Telecommunications and Cybersecurity
- **University Paul Sabatier - Toulouse III** Sep 2021 - Jun 2023
Bachelor of Software Engineering
- **Holy Family High School (Jésuites)** Sep 2018 - Jun 2021
French Baccalaureate, Specialties (Mathematics, Physics, Economics and Social Sciences)

Languages

- Arabic (Native)
- English (Bilingual)
- French (Bilingual)
- Spanish (Intermediate)

Skills

- **Programming languages** (Python, Java, C, O'Caml, SQL, HTML, CSS, UNIX Shell and Git)
- **Frameworks** (VS code, Eclipse, Oracle, Github, Excel, PowerPoint and Word)
- **Theoretical knowledge** (Windows and Linux System Administration, Security of networks, Data Structures, Virtualization, Object-oriented Programming and Database Administration)
- **Soft skills** (Stress management, Time management, Passionate, Adaptability and Cooperative)

Organisations

- **ADEEF, Partnership and Projects Team** (Teamwork and communication) Sep 2023 - Present
- **Scout, Team Leader** (Leadership, punctuality and commitment) Sep 2018 - Jun 2021

Interests

- Traveling abroad
- Graphic Design
- Bodybuilding
- Volleyball

[August 24, 2023]

To Whom It May Concern,

I am writing to highly recommend **Chehab Mosaad** who participated in our summer internship program for undergraduates at **Orange Business**.

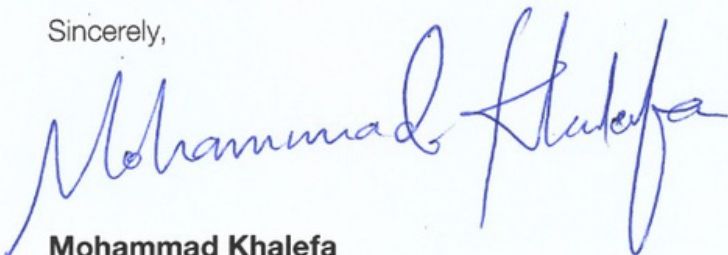

Throughout the internship, **Chehab** exhibited remarkable dedication and a strong willingness to learn. His ability to quickly grasp new concepts and apply them to his work was impressive and greatly contributed to our projects.

Chehab consistently demonstrated effective communication skills, both in his interactions with colleagues and his contributions to team discussions. He approached tasks with diligence and a keen attention to detail, consistently delivering quality results.

His positive attitude, adaptability, and collaborative nature made him a valuable asset to our team. I am confident that **Chehab** has a promising future ahead and will excel in any academic or professional pursuit he chooses.

Please feel free to contact me at mohammad.khalefa@orange.com if you require any further information.

Sincerely,

Mohammad Khalefa
